Chai Points Kickoff

A celebration to support Temple Emek Shalom
WELCOME TO THE THIRD ANNUAL CHAI POINTS KICKOFF, the opening event for Temple Emek Shalom’s annual Chai Points fundraising program.

Chai Points events give you the opportunity to enjoy companionship and community at events throughout the year while supporting our Temple’s programs and operations.

Again this year, more than thirty events have been generously and creatively underwritten by members and friends of our congregation. There are wonderful Chai Points events for all ages, interests and price points. Consider attending a gourmet dinner or wine tasting, learning from local experts, listening to talented musicians, participating in outdoor adventures, and much more.

The full amount of your donation makes possible all of our Temple programs, such as: social justice initiatives, Shul School and teen programming, adult education (classes, retreats, guest scholars, meditation), Shabbat Shirah Friday evening services, and special holiday events. Temple Emek Shalom also contributes a portion of Chai Points proceeds to other local nonprofits.

All that’s needed to make these Chai Points happenings a success is YOU! Thank you for signing up for all the events that interest you. We look forward to spending time with you at our Chai Points Kickoff on June 2, and at Chai Points gatherings throughout the year.

The Mitzvah Moment

Temple Emek Shalom is a vibrant congregation committed to providing lifelong education, hesed (caring), kedusha (holiness) on all levels of community life, and tikkun olam (repairing the world). We provide a gathering place where you can feel a sense of belonging and share important lifecycle events.

You can support and sustain these blessings in your life by participating in our annual Temple tradition called The Mitzvah Moment – an inspiring “paddle raise” that provides an instant boost toward our annual fundraising goal.

In a few brief minutes, the Mitzvah Moment plays a vital role in ensuring that our wonderful Temple Emek Shalom can fund all of our best-loved programs and activities all year long.

The Mitzvah Moment will be the highlight of our Chai Points 2019 Kickoff. Thank you for participating and supporting our beloved synagogue!

Chai 18

The Meaning(s) of Chai

The Hebrew word “chai” means “life.” According to gematria, a system of numerology that assigns values to each Hebrew letter, the letters of the word chai add up to 18. For this reason, many Jews like to give charitable donations in multiples of 18.
